Unique Flavors For The Curious Palate

Rodeo Red IMPERIAL RED ALE

We brew this beer with local American Malts from Admiral Malting in Alameda. The hops are all American Varietals from our local hop farm Atomic Hops in Lodi, CA. Rodeo Red has a well-defined malt backbone with hints of roasted malts. The hops are present from start to finish. Moderately bittered upfront with Cascade Hops and then finished Cascade and Chinook Hops in the whirlpool and in the final dry hopping Process. Our Bronc Rider on the label is the father of a good friend of our Brewmaster. Mr. Walter rode the Rodeo Circuit in the 50's throughout the Central Valley. We offer this as a nod to the classic American free Spirit. It's gotta Kick!
