IMPERIAL *Campfire* STOUT

Leaves you wanting S'more

Imperial Campfire Stout was brewed with one goal in mind, taking all that we love in our original Campfire Stout and turning the flavor knob up to 11.

Starting with the 11% ABV, and following with bigger and bolder delicious layers of flavor inspired by the s'more. Like any camp-fire experience, this beer is best shared with a warm circle of family and friends.

Available in 16oz Can
